Enjoying Country Life

There are plenty of activities you can enjoy in our
beautiful Ozarks.

Floating Streams - Eminence is considered the canoe
capital of the world, for canoeing, floating, swimming
in clear water. There is 120 miles of year round
floating on the most spring fed river in the Ozarks.
The hardest part is deciding where to go.

Jack Fork's River

One of the world's most scenic floats and fishing
streams. Jack's Fork and Current Rivers are
preserved in a National Park and we are in the
heart of it.

Beautiful Springtime

All kinds of wild flowers, flaming colors, gorgeous
winters, romantic getaways and quiet times to
remember.
